"It is not in numbers but
in unity that our

Thomas Paine

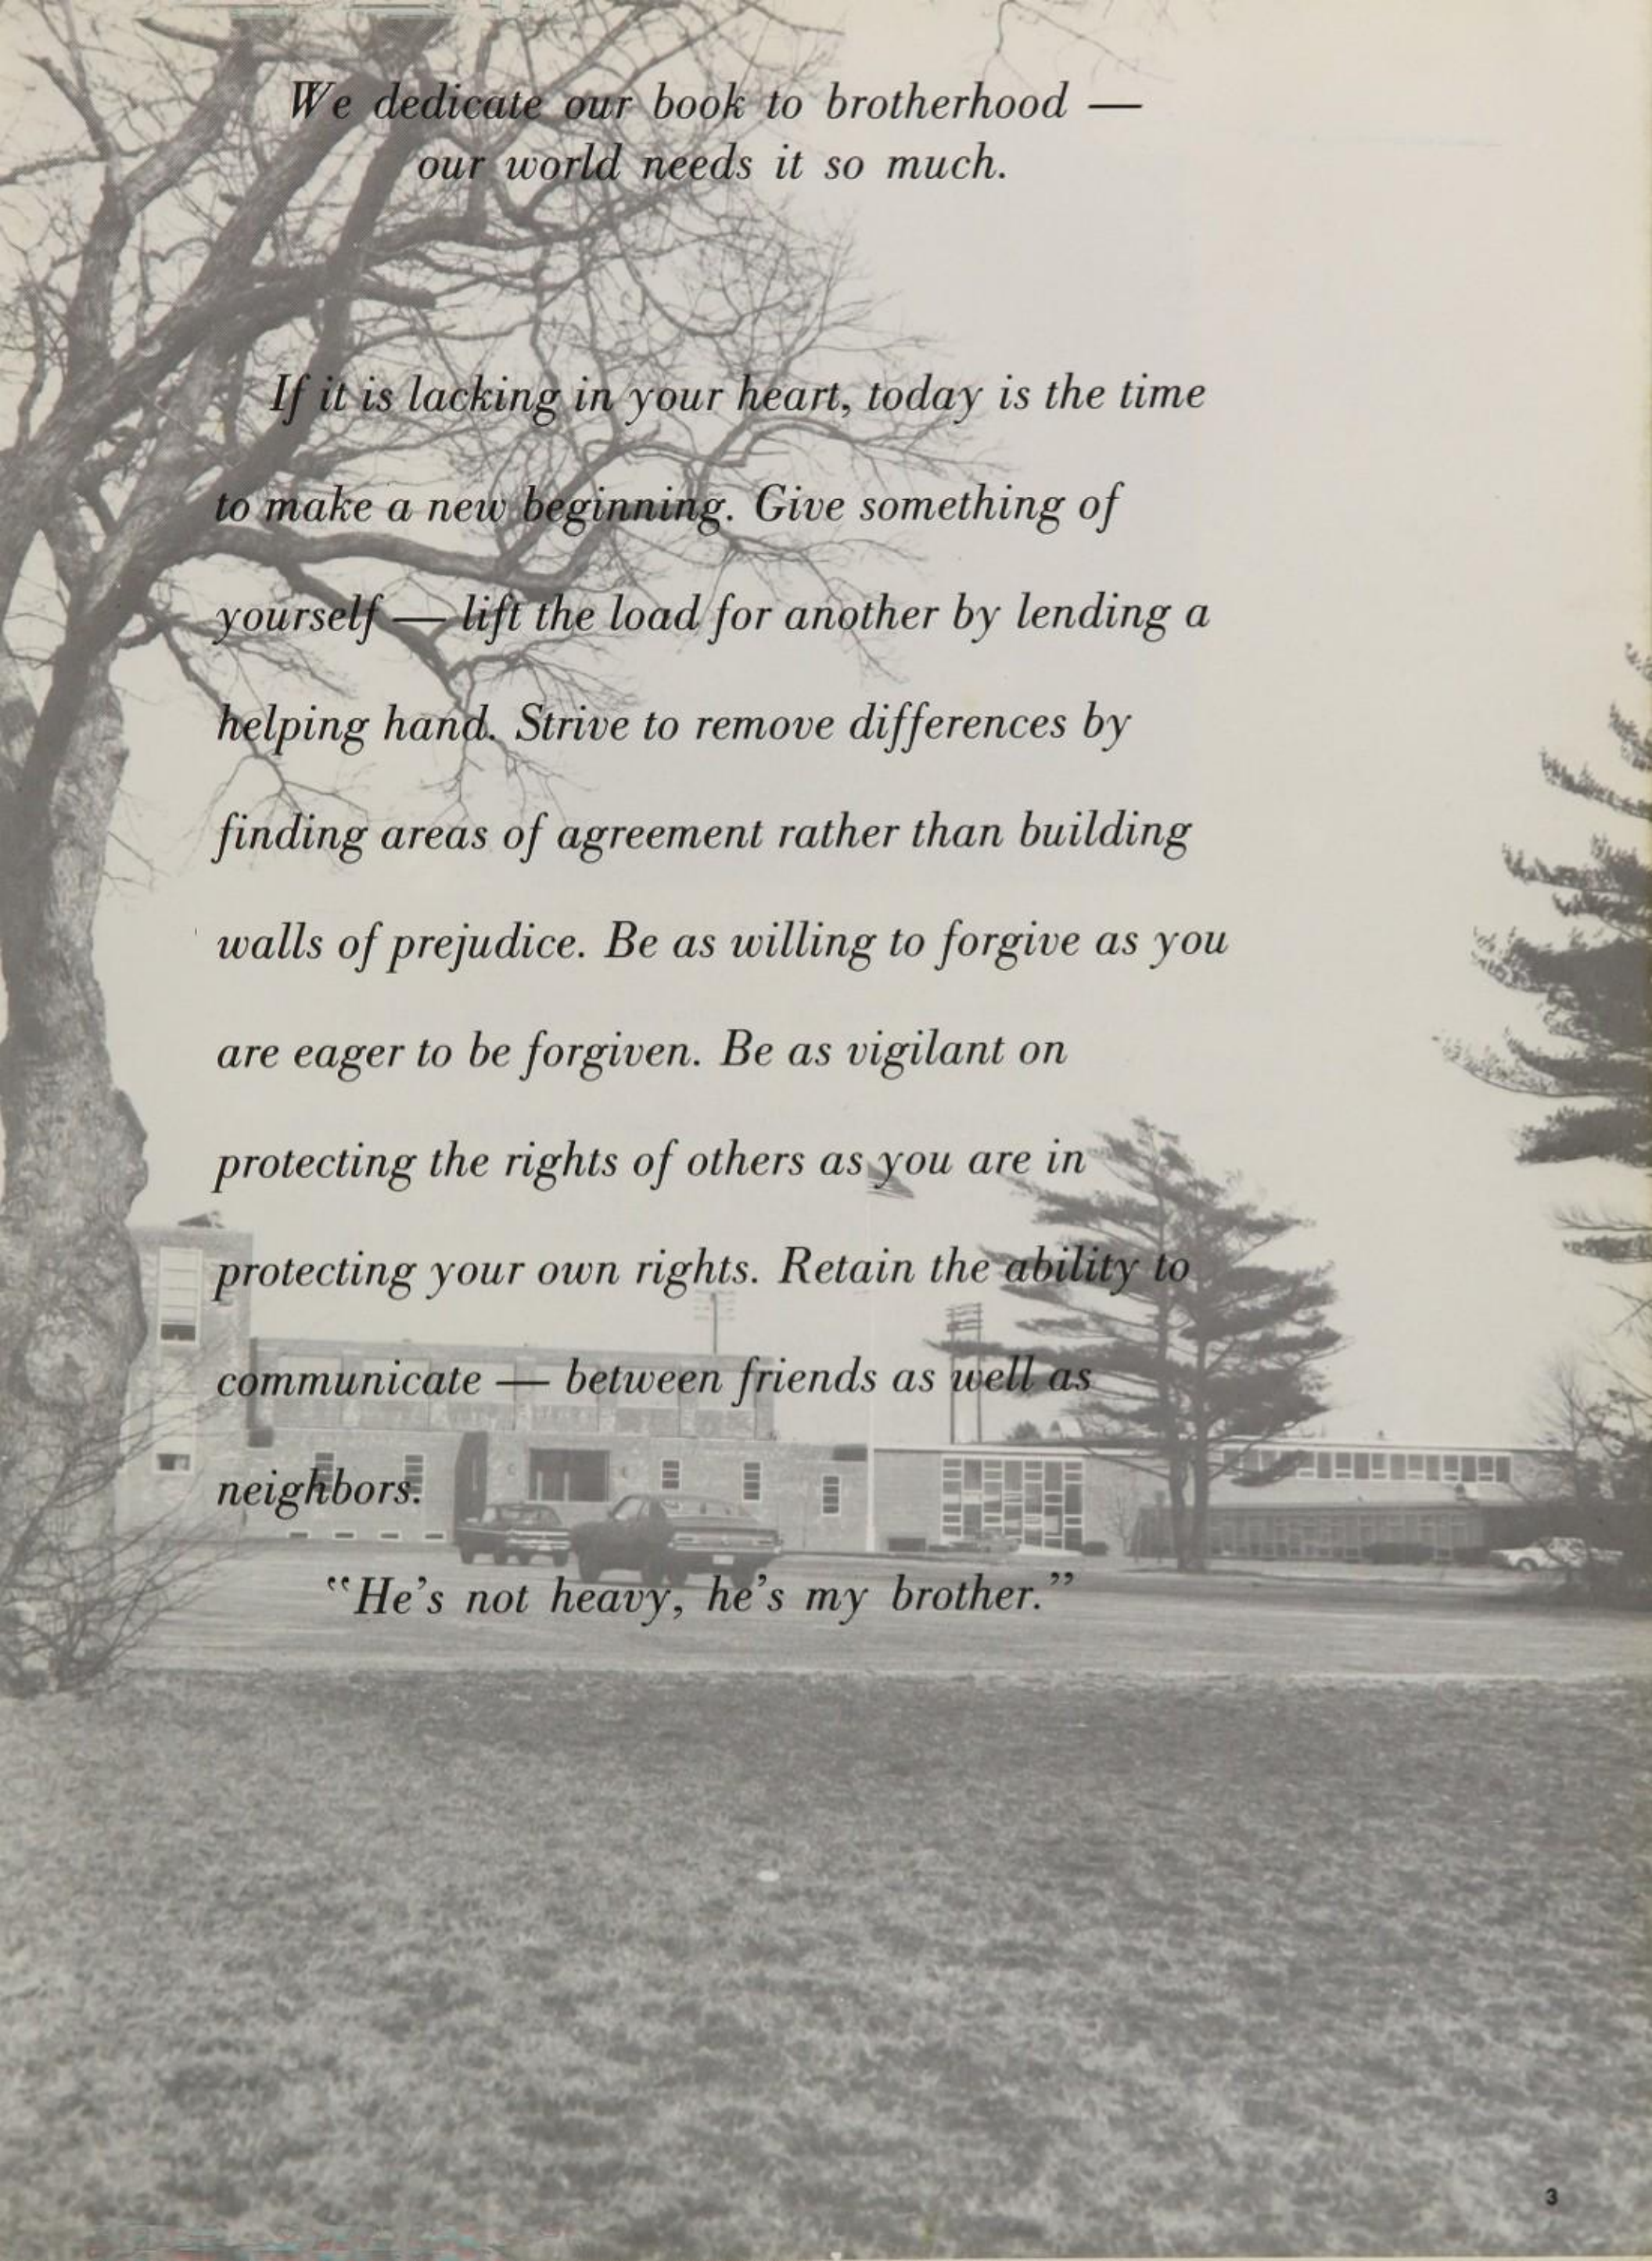

of 1972

"Desiderata"

*Go placidly amid the noise & haste, & remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. *** Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. *** Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. *** Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. *** Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. *** You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. *** Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. *** With all its sham, drudgery & broken dreams, it is still a beautiful world.*

*We dedicate our book to brotherhood —
our world needs it so much.*

*If it is lacking in your heart, today is the time
to make a new beginning. Give something of
yourself — lift the load for another by lending a
helping hand. Strive to remove differences by
finding areas of agreement rather than building
walls of prejudice. Be as willing to forgive as you
are eager to be forgiven. Be as vigilant on
protecting the rights of others as you are in
protecting your own rights. Retain the ability to
communicate — between friends as well as
neighbors.*

Dedication

MR. WALTER E. LONGMORE

We, the class of 1972, have chosen to dedicate our yearbook to Mr. Walter E. Longmore. It is a small token of our gratitude for the twenty years in which he worked in the Wareham School System as Principal and Superintendent. Although not all of us have had the opportunity to become personally acquainted with him, we have felt his presence through our faculty and student government. Mr. Longmore's guidance, his devotion, and enthusiasm for his work, has been an example to emulate. On behalf of all Wareham students, the Class of 1972 says a warmfelt thank-you.

Principal's Message

Today's graduates are obliged to enter a complex life of turmoil and face problems the wisest men in the world are unable to solve. While I do not expect you to shoulder the responsibilities of the entire globe, I do feel that growing up is a serious business. We at Wareham High School are constantly striving to keep abreast of the ever changing times by up-dating our curriculum. No new study can be had without first weighing its value to our young people and receiving the approval of the School Committee. It has been with care that new courses were added and qualified instructors to teach them. I believe the prime purpose of your school is to assist our boys and girls so that they mature into confident capable men and women. We here should be and are concerned mainly with the overall development our pupils. A large majority of you have responded in a highly satisfactory manner and I look forward to hearing things of your future accomplishments.

Sincere best wishes and good luck in the future.

WILLIAM H. PALING, Principal

Class History

In these past four years at Wareham High we have encountered many new experiences. Most importantly though, we have shared these experiences together as a class, the "sensational and soulful class of seventy-two."

We began our pilgrimage through the halls of Wareham High in September of 1968. We entered with the feeling that we were the coolest and brightest new additions to Wareham High School thus far. We soon found our places, however, when we discovered much to our dismay, that we were just the babies to everyone else.

Our first class meeting turned out to be more like a tornado that hit our small auditorium. Mr. Brousseau, our class advisor, finally managed to calm us enough to elect our Freshmen class officers, Rebecca Andrews, President; Eileen Grady, Vice-President; Michele Andrade, Secretary; Sharon Houghton, Treasurer, and Marion Mattos for Dance Chairman.

As Freshmen we got our first taste of Senior parties, and it's a good thing we did, because we never managed to form any ourselves. Those were the good old days!

The new, but not too pleasant experience of taking a mid-term, hit us before we knew it. We were all quite surprised at the amount of knowledge we were supposed to have accumulated in half a year. When finals rolled around we were more interested in the coming months of fun and frolic, than we were in studying for final exams.

Come September we were all eagerly awaiting our return to good old Wareham High as Sophomores. After the first week we were dreading counting the days until our release in June again. Mr. Brousseau got enough courage, it probably took him a whole year, to round us up for another class meeting. Surprisingly enough we managed to nominate, and later elect as President, Rebecca Andrews; Vice-President, Shirley Santos; Secretary, Michele Andrade; Treasurer, Jeanne Allen and Dance Chairman, Joan Balkus.

Rebecca Andrews, Michele Andrade, and Joan Balkus were our contributions to the cheering squad in our Sophomore year. Betty Ann Conway and Melanie Meuse joined the squad as Juniors and in that year helped win a trophy for first place in the cheering tournament held in Old Rochester. Our last contribution to the squad was Dianne Maxim. With Joan Balkus as Captain and Rebecca Andrews as Co-Captain the girls showed their unselfish devotion to our sports program.

Dianne Johnson, Carol Craig, and Debra Drake qualified as majorettes throughout our years at Wareham High School. They were fine examples of undying school spirit at our football games.

As we entered our Junior year we were proud of our new status as the upper classmen. We recognized the fact that something amazing had happened over the summer, the boys had finally grown taller than the girls. We received our class rings in October and couldn't wait to flash our hands around so all would take notice.

As our Junior class officers were elected Kenny Monteiro, President; Nancy Gibson, Vice-President; Melanie Meuse, Secretary; Jeanne Allen, Treasurer and Joan Balkus as Dance Chairman. As Seniors there was only one new addition to our officers, Eileen Grady as Treasurer.

All will agree that we had a class to be proud of. We had many outstanding students with a very diversified list of talents. Nancy Gibson won the Miss Cranberry Bowl title and later went on to win as Wareham's Junior Miss. We were all proud of Lucille Anastasi's musical talent when she toured Israel with the Boston Youth Symphony Orchestra. Kenny Monteiro was awarded the Harvard Book Prize in our Junior year with Normie Dias and Les Morrison

as class marshals. Kenny Monteiro also brought recognition to the school when he served as Lieutenant Governor in our Junior year, and governor as a Senior, of the New England District of the Key Club. Debra Drake won the Betty Crocker Homemaker award. Susan Carey was a fine representative at Student Government Day in Boston and was also the recipient of the Daughter's of the American Revolution award. Our representatives to Boys' State were Howard Mallowes, Kenny Monteiro, Bruce Gordon, David Todd. Kim Correia was our Telfad representative. We were all very proud when David Pocknett was chosen to go to Europe with the American Sports Ambassadors because of his outstanding performance in basketball. And last but not least, Paul McElroy was chosen to go on a trip to Chicago for the National Convention of Science and Environment.

We have gotten various class projects together through our years at Wareham High School, although some were less successful than others. In our Freshmen year we held our first and last class dance. Although we made a meager \$4.00 profit, those of us who attended still had fun. As Sophomores many of us participated in Peace Day, October 15, 1969 at the Boston Common. In our Junior year we presented a well received Christmas Assembly and sold Viking Jewelry as a fund raising project. Most successful activities were of course our class play and prom.

Our Class history would hardly be complete without mentioning the accomplishments of our athletic teams.

Our Football team started out with a very successful Freshman record. As Jr. Varsity and Varsity members, they were important contributions to the success of the team. James Raymond, Normie Dias, Gilbert Franklin and Les Morrison made the All Suburban Football Team and Jim was praised by WBSM for his football talents. As Seniors Gilbert Franklin, James Raymond, David Rowe, and Les Morrison were captains who, along with the rest of the team, exhibited fine sportsmanship on our athletic field.

In basketball David Pocknet joined the varsity squad as a Sophomore showing his talent as a fine athlete. David went on to make the All-Star team and led our players to participate and reach the semi-finals at the Tech-Tourney in our Junior year. As seniors the team encountered an unfortunate incident that ended the basketball season early.

Les Morrison and Tim Berriault were our baseball stars with Les being a participant at the Capeway Conference All-Star Baseball game. Peter Swanson, Howard Mallowes, Harold Nelson, James Raymond, and Tim Berriault had great success in Track. Girl athletes Mary McCoy and Rhonda Campbell made a fine showing in Basketball, while Amy Pesta led in Track.

The history of the class of '72 is ended, but the memories of it will live on in our hearts and our minds. These past four years have been a very important growing and maturing period in our life. Mentally, physically, and socially we have grown. Now, to make good use of what we have learned! We leave with two most important ingredients, youth and freedom, to follow our dreams and accomplish our goals.

Advisor: Mr. Thomas Fahey

"The chief purpose of the Newspaper Club is to give interested students an opportunity for journalistic experience and afford them the satisfaction of seeing their writing in print in the local newspaper. In addition, the Club strives to keep the student body informed of the happenings within the High School and, occasionally, within the community. This is the entire group of students going.

We have a new club in our school, Club Culture. The students who are members of this club, will be taking a trip to France on our April vacation.

They will leave Logan International Airport on Friday, April 14, and will return from France Sunday, April 23, 1972.

They will visit most of the important sights in Paris such as Notre Dame Cathedral, the Louvre Museum, the Eiffel Tower, to name a few. They will also have a cruise on the River Seine and see how the people live in the country.

We wish Club Culture a very enjoyable trip.

The 1971-1972 Marching season found the Wareham H.S. Band parading with two more Majorettes than last year. Chosen annually this group chose its members on their twirling ability, leadership qualities, and marching ability. In addition to marching with the band, the Majorettes also performed during half-times throughout the football season. Our Majorettes have earned their respect through spirit promotion at Wareham High School.

Champions *W.H.S.*

For the past four years the Wareham High School Cheerleaders have taken part in the annual Old Rochester Regional High School Cheerleading Tournament. Special Recognition should go to our cheerleaders for their many hours of practice and hard work in preparing for this tournament. Last year our cheerleaders won first place and this year they won fourth, out of the many schools which competed. We are very proud of our cheerleaders, not only for their success in these tournaments, but also for the support and spirit which they give Wareham High School.

Now we, the class of 1972, step out into the crossroads of life. Whichever way we may go, and whatever we may do, we will always have brotherhood within our hearts. For we know that brotherhood is the key to Universal love and it can begin with us.

*What we achieve in life may not be glorious or famous but as long as we strive for love and brotherhood then we have achieved the greatest goal in life. If we can continue to spread our growing brotherhood then we can truly say that our class was honorable. Even though we can look around and see prejudice, ignorance, and hatred, we can still foresee things that never were and make them a reality. We can make all men brothers. We can unite the world with our theme — **BROTHERHOOD.***
